Average Total Cost: (to determine lowest price)					12.675

**Delivery to Locations other than above:**

The majority of the deliveries will be made to one or all of the locations listed above; however, there may be occasions that material will be delivered directly to a project site located within Lake County. In such case, the delivery charge per mile per ton shall be a fixed price regardless of the delivery location. The total delivery charge will change based on the number of miles from the originating point to the delivery location.

Cemex, Davenport, FL				
LOCATION	LIMEROCK PRICE (PER TON)	DELIVERY PER MILE (PER TON)	MILES	TOTAL COST (LIMEROCK + DELIVERY PER MILE) PER TON
Project site located within Lake County	7.5	0.21	Unknown for bid purposes	7.71
